File # 336

Dear Competitor,

The third meeting of the Selection Committee was held and 70 cars were added to those included in the pre-entry list. We are delighted to confirm your entry as your-CHEVROLET CORVETTE 1968-is part of this third selection. We would appreciate that you mention the file number(s) appearing on the top of this letter in any further correspondence.

Some of you have sent applications for a complete team. If all the members of this team do not appear in the attached pre-entry list, it does not necessarily mean that they are rejected. The selection meetings are very long. So, in the view of a diversified grid, we have put aside all difficult choices, mainly for the models applying in too big numbers.

A fourth session to select less than hundred cars and 60 reserve cars is due before the middle of March.

You will receive the complete regulations of the event and the first Newsletter in a near future. Should you need any further information before, do not hesitate to contact us: speter@peter.fr, ppeter@peter.fr or Guillaume Le Métayer: glemetayer@peter.fr.

Meanwhile, we kindly ask you to forward us the **full and legible copy** of your car(s) FIA Identity form(s), the copy of the 2004 FIA International racing licence for you and your co-driver(s).

We join the leaflet edited for the spectators advance booking. This could help if some of your friends plan to come and support you.

Should you need some backing for your accommodation, you can contact Mrs Poissenot at the "Le Mans Hôtel Réservation" company: Tel: +33 (0)2 43 20 07 00 - Fax: +33 (0)2 43 20 07 70.

Email: lemanshotelreservation@wanadoo.fr.

Season's greetings.

Patrick Peter
